18 VALERIE DEROY

Valerie DeRoy Interiors
(404) 667-6910

A Parisian by birth, Valerie DeRoy was a bigwig in the European fashion and cosmetics industry and ran the home decorating sector at Carrefour before relocating to Atlanta. A graduate of Chambre de Commerce business school, DeRoy trained her love for the decorative arts and her business acumen on founding her own design firm in 1998. And things have come full circle: In 2006 DeRoy was commissioned to decorate her first home in Paris for a wealthy French couple in the 8th Arrondissement near the chic Faubourg Saint-Honore. Currently at work on a 10,000-square-foot townhome in Buckhead, as well as a private residence in Dallas, Texas, DeRoy learned from her European-bred childhood "to never skimp on interior design because it is what you come home to every day."
